Employee of the Month for September 2018

Michelle began her career with the City on May 26, 2015, as Senior Accounting Clerk after working with her family's business, David Clifton's Chevrolet, for 22 years. She is currently enrolled in the Certified Municipal Finance Officer program and has two tests remaining to complete her certification (November 2018). City employees rarely only wear one hat and Michelle assists employees with all their insurance needs. She also is our backup with accident/injury Workers' Comp claims.

When Michelle isn't hard at work with the city she enjoys spending time with family and friends and boating on Watts Bar Lake. She and husband Troy sometimes rush home from work in the evening and take the boat out to fish. She retired from dancing after 30 years (15 working with Arts in Motion) when her daughter graduated and moved on to Tech.

Michelle lives in Rockwood with her husband Troy. She has three children, sons Tanner and Trey, and daughter Michaela.

People who fly into a rage always make a bad landing.

The discretion of a man deferreth his anger; and it is his glory to pass over a transgression.

Roane County High School—Ms. Guinn's Class Tours City Hall

On September 7th these RCHS students checked out their City Hall offices and how things work in their city government and tried out the chairs in the Council Chamber. They seemed to enjoy their visit as much as we enjoyed having them.

(L to R) Mayor Tim Neal, Connie Guinn, William Davenport, Clay Ross (all in shirt), Chris Maples, Nate Sackett, Marcus Farmer, Shelley Jones, Ericka Pesterfield, Gary Buell (tallest in back), Rachel Collins, Brock Czajka, and Paula Gaines.

September Employee of the Month

At the September 11th City Council meeting Mayor Neal presented our Employee of the Month for September, Brent Barger, with a Certificate and pin in appreciation of his service. Following words of praise from his supervisor Police Chief Jim Washam, City Manager David Bolling revealed this is the second time he has hired Brent and would do it ten more times should the possibility present itself.

Fall Happenings in Kingston!

Visitors at the Muir Fest at Southwest Point enjoyed a day of music, food, outdoor vendors and demonstrations, crafts for kids, kayak demos, and much more.

With the help of local children, we released 1,000 sturgeon into the Clinch River on Saturday, September 15th as part of Muir Fest. This was a wonderful interaction for adults and children to handle and release this unique fish in an effort to re-establish in our water way. We released them at the water's edge behind Fort South West Point. Other attractions were Food Trucks, music, outdoor demos, kayaking, and paddle boarding. Watch or the 3rd Annual Muir Fest in the Fall of 2019.
