CITY OF KINGSTON, TN

City Scenes

The weather was beautiful, the boats were fast as lightening, and the crowd was bathed in sunshine—the day ended in an amazing display of fireworks at dusk.

In spite of a budget shortfall Kingston Parks & Recreation employees pulled off another successful July 4th celebration. (with a little help from their friends from Public Works, and Police and Fire Departments).

City Manager David Bolling served as Captain of the city's raft again this year and he and his crew captured another win!

Mayor Troy Beets and Councilmen Tony Brown, Don White and John Byrkit had another reason to celebrate. On June 30th Katie Moore with THDA came to Kingston with the good news that we had received a Rebuild and Recover grant in the amount of $150,000 to assist local citizens who suffered damage during the June 10th tornado. We hope to have an administrator in place in the near future with applications to distribute to the public soon after.

Mr. Bolling's birthday is July 14 NOT June 14 as I mistakenly printed in the June newsletter! It's a good thing I have a forgiving Boss!

CONGRATULATIONS!

The trouble with some self-made men is that they worship their creator.

A man's pride brings him low, but a man of lowly spirit gains honor.
