April Employee(s) of the Month

Jan Collins

This month we are highlighting two of our employees (former now) who decided to leave the city for "all the gold in California."

Jan was an employee of the Water Department Business Office and Randy was an employee of Public Works.

Randy Collins

We will miss these beautiful smiles, their great work ethic and upbeat attitudes. Their bosses will have a difficult time finding someone to fill their shoes!

They will be managing the Tucalota Springs RV Park in Hemer, California.

Our best wishes go with you both. God bless you in your new adventure!

On April 6th David and I were in attendance when our grandson Tucker Lewis graduated from the University of Tennessee Culinary Program. In addition to proudly seeing him graduate, we were able to dine on a variety of culinary delights prepared by the students! We are very proud of him.

Congratulations Tucker!

On April 7th local dignitaries met at Gertrude Porter Memorial Park in celebration of its completion. Some of those are pictured below (in no particular order). Council members Stephanie Wright, Tony Brown, Tara Stockton, Don White, Mayor Tim Neal and Vice Mayor Randy Childs. Senator Ken Yager who attended the ground-breaking for the park was able to see it come to fruition.

Tim Clark, Public Works Director, whose employees played a vital role in finishing the park in time for the event, was on hand to pitch a ball to his grandson. Picture next to him is Rick Ross, Parks & Recreation Director. (More pictures are shown on page 2.)

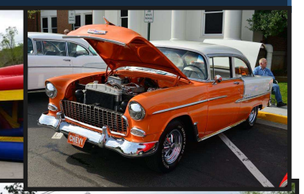
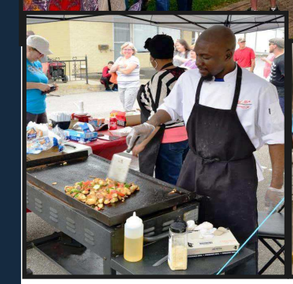
SPECIAL OLYMPICS

City Of Kingston





The City of Kingston, Kingston Parks & Recreation, Outdoor Kingston, along with Jonathan W. Bennett and interested city residents showed up for a presentation of the Tennessee Dog Park Dash grant through the Boyd Foundation. Fort Paw Dog Park is proposed for the two acres behind Byrd Field at Kingston City Park and this grant would bring us one step closer to accomplishing that goal.
