February Employee of the Month

Police Department Secretary Teresa Johnson is the February Employee of the Month with 14 nominations from her coworkers. There is not enough room to list all the qualities they used to describe her but one coworker's comments were, "She is always there when you need her and goes above and beyond to make sure everyone in the department is taken care of.

When Teresa isn't working you can either find her at a ball field, soccer field, basketball court or track, watching one of her four grandsons play.

Teresa began her career with the Kingston Police Department in 2007.

Note: The employee with the most nominations for the month "wins."

Some people reach the top of the ladder of success only to find it is leaning against the wrong wall.

But seek ye first the kingdom of God and his righteousness; and all these things shall be added unto you.

—Matthew 6:33
