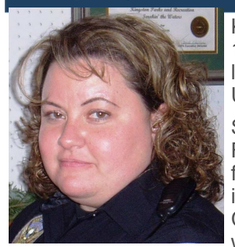
Employee of the Month for July 2018



Kelly Jackson

Kelly graduated from Roane County High School in 1995; graduated from Roane State Community College in 1997, and continued at East Tennessee State University.

She began her Law Enforcement Career at the Roane County Sheriff's Office in 1997. Graduated from TLETA in 2001 and completed several specialized schools throughout her tenure. She worked in Corrections, Dispatch, Civil/Criminal Warrants before working as a Captain in the Investigations Unit. She later worked in the Medical Billing office for the Association of University Radiologists in Knoxville, TN.

Kelly began working for the City of Kingston in November 2009 as a Patrol Officer with the Police Department. She was promoted to the position of Narcotics Detective and then Investigative Captain. She has also worked part-time at G&G Guns since 2014.

In June 2017 she was given the opportunity to transfer to the Water/Taxes department and is continuing her education with TAUD and various other state programs to progress in this field. In her "spare" time, she is also the lead in getting our new website revisions in place. Kelly is an employee you can count on to get the "tough" stuff done—no challenge is too great—she will "get 'er" done!

Rank does not confer privilege or give power. It imposes responsibility.

For everyone to whom much is given, of him shall much be required; and of him to whom men entrust much, they will require and demand all the more. —Luke 12:48b

Soccer Camp 2018

On July 19th the Kingston Girls Softball League said a "Big Thank You" to one we lost this past year. Missy Newman was such a big part of Girls Softball for years, and just a small way of saying thanks and always remembering her, we named our new scoreboard at Byrd Field after her. Missy is greatly missed by all that she impacted through school, softball, church or anyone that came in contact with her.
