

Brush Collection Policy

Brush will be collected twice each year. A schedule showing the collection days for each street will be posted on the City website (<http://www.kingstontn.gov>) and also on social media and in the Roane County News.

The schedule could vary due to weather conditions and/or the amount of participation by residents. Make-up days will be held on the Friday of each week, and added as a third week if necessary.

Brush left for collection must meet the following guidelines:

- A maximum quantity of two brush piles 4-feet wide x 4-feet tall and 10-feet long will be collected from each household per visit.
- Our equipment is unable to collect brush placed beneath overhead obstructions, such as tree limbs or low hanging utility cables.
- Brush must be brought to the curbside and not placed in the street, on sidewalks, or where it blocks utility meters, poles, or fire hydrants.
- Brush and limbs shall be neatly stacked in 4-foot x 4-foot piles with the ends facing the same direction. Leaves or other debris may not be mixed with brush.
- Please call about stumps or limbs larger than 12-inches in diameter.
- Lumber or construction waste materials will not be collected.
- Commercial, industrial, construction, or land clearing projects are not included in the brush collection program and will not be collected.
