Master Donuts & Coffee Grand Opening

A few folks had an extra treat on Mother’s Day when they stopped by Kingston’s new donut shop located at 500 West Race Street in Kingston. From 3-5 p.m. on Sunday, Mayor Neal, Councilmen, Norm Sugarman, John Byrkit, Don White and Randy Childs enjoyed the delicious treats that are showcased every day at this delightful den of “sweetness” beginning at 5 a.m. every morning. Be sure to stop by and welcome them to Kingston. You will be glad you did! I always am—try the Pigs in a Blanket too.

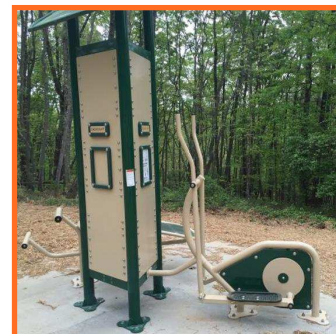

Ladd Landing Greenway Cont’d

Parks and Rec Director Rick Ross was quoted as saying, “If you can run this trail there is not a 5k in the world that you can’t own.”

You will find fitness equipment every half mile just like those found in a gym plus a beautiful water view.

Another quote from Rick, “It’s like a walking gym—you can come out here and get your cardio and workout at the fitness stations while working in the most beautiful gym God ever created.’

The money for the fitness equipment came from a grant.

Work underway on the Greenway walking trail restroom facility. Pictured to the right above is one of four pieces of equipment located at Fitness Stations on the trail.
