Marsha Marshall draws the contestant's ticket!

Ladies' Basket
Valued at \$300

Father's Day Basket
Valued at \$300

Public Works employee, **Pam Noland**, correctly answered a question read by contest leader Carolyn Brewer to win a gift basket on May 21.

The next contest is scheduled June 18 and we have two baskets —one for a lady and one for a gentleman (Father's Day). Come by City Hall and view the baskets and sign up to enter the contest! (See baskets pictured below.) Proceeds go to Pavilion construction.

A Day of History at the Fort

The Roane County Chapter of the Sons of the Revolution host a yearly celebration the first Saturday in June. This year's celebration will be held on June 5th from 10:00 a.m. to 6:00 p.m. Patriots interested in historical reenacting are invited to join our Militia in period dress.

There will be Genealogy workshops, a Cherokee Indian spokesman in the Cherokee cabin as well as music, story telling, cannon firing, tours, food, black powder shooting and tomahawk throwing.

Be more concerned with your character than your reputation. Your character is what you really are while your reputation is merely what others think you are.

Department News

Library Director Steve Jacks reported the Summer Reading Program is beginning. He has also been in touch with Rural Development regarding the grant for a new computer lab at the Library.

The **Kingston Fire Department** employees have completed their annual hydrant flushing and will begin painting hydrants in the next few weeks. **Josh Harwell** has replaced **Eddie Lentz** in codes enforcement and animal control.

Carolyn Brewer, our Financial guru, continues to look for money (where there is none!) in an effort to cover all the needs in the city. With revenues down and expenses up—we wish her much luck!

The **Public Works employees** (and **Buck**) are about to wind up the Kingston Heights waterline project. They are putting in new tiles and working on clean up in the area.

They are just picking up brush on rainy days until this project is finished (and mowing of course).

Police Department Officers are patrolling the city parks—a very welcome addition to their services according to our citizens. The annual “Hooks vs Crooks” fishing tournament was held on May 29th and the annual “National Night Out” is scheduled for August 3rd at City Park.

Parks and Recreation Director Rick Ross and his staff are once again busy getting ready for the July 4th celebrations and all that entails. In their “spare time” they are working on ball fields, getting the pool ready for the May 25th opening, building a new storage building for chlorine, and life guard training.

The **Water Department Distribution and Collection** employees are gearing up for the new automatic meter reading project. They have been filling in for Meter Reader Alvin Pierce during his recent illness. Monitoring water quality has also taken up a large percentage of their time since the ash spill.

Wastewater Treatment Plant Manager Mike Jolly and his staff are working with engineers developing plans for the new sewer system expansion; and also with Insituform in rehabilitation of our existing sewer lines.

Chuck Moore at the **Water Plant** successfully completed the annual “Consumer Confidence Report” for the state and published it in Roane County News.

Pavilion Construction Update!

If you haven't checked out the progress on the new Pavilion, stop by. The size will fool you—it is much larger than it looks from outside and is quickly becoming one of Kingston's prettiest locations.

To all who have donated time and funds—we are most grateful !

**You are writing a gospel
A chapter each day.
By deeds that you do,
By words that you say.
Men read what you write
Whether faithless or true,
Say! What is the gospel,
According to you?
