Top Students from 10 Tennessee Schools Awarded \$2,000 Scholarships Merit-Based Scholarship Emphasizes Study of Math, Science and Engineering

Tennessee's scholarship recipients were honored at a banquet on May 28 at the Flatwater Grill in Oak Ridge.

In the second year of the EnergySolutions Foundation Scholarship Program an impressive 31 applications from 10 of the eligible high schools in the Tennessee area were received. Students selected will each receive a \$2,000 scholarship to pursue a bachelor's degree in math, science, or engineering. Students can choose what school they attend, as long as they plan to seek a degree in biochemistry, chemistry, ecology, engineering, geology, geophysics, mathematics, meteorology, or physics.

A scholarship is awarded to the top 10th grade student from the 11 eligible high schools in Tennessee. The scholarship recipient from each school is also eligible for a Distinguished Award scholarship for an additional \$2,500, \$5,000, and \$25,000 and a laptop computer upon entering college.

Additional information on the EnergySolutions Foundation Scholarship Program is available at www.energysolutionsfoundation.org

Department News

Fire Department Chief Willie Gordon has added two more “hats” to his already full-plate of duties. In addition to Chief and Building Inspector he recently earned certification as a Certified Plumbing Inspector and a Certified Mechanical Inspector. These certifications will enhance his role as City Building Inspector and save money for the city in inspection fees from outside sources.

Also, he has planned an outing on the Watts Bar Belle on July 9th as Chair of the East Tennessee Fire Chief’s Association and is expecting around 100 guests.

Kingston Library events for the summer are well under way with another visit from Dr. Bass. On Saturday, June 28 he was a visitor on the Watts Bar Belle along with Library personnel and reading enthusiasts.

Public Works employees are once again mowing, mowing, and mowing! This is, of course, in between

repairing police vehicles and maintaining the rest of the city fleet. Did I forget to mention picking up brush, trimming overgrown city right-of-ways, placing and removing speed humps, patching pavement, repairing lawns after city work, etc., etc., etc.

Parks & Recreation Director Rick Ross and his staff have been busy entertaining guest from as far away as California and Michigan who are visiting our area as part of the Battle of the South baseball tournaments. Apparently all our local motels have been full—how about that!

Of course, their main concern this month has been getting ready for our July 4th celebrations.

Congratulations are also in order! See the note regarding lifeguards below.

Police Department Chief Jim Washam is working on the list of recommendations resulting from the

Police Review Committee suggested by Rex Barton, UT-MTAS Consultant.

The Hooks & Crooks Fishing Tournament was a success and plans are underway to make it an annual event. Any profits were to go to the Police Reserve Officers.

Mike Woody reported a “Living History Day” at **Ft. Southwest Point** and a County Elder Watch during the month of June.

Joy is the feeling of grinning inside.

WAY TO GO LIFE GUARDS!

Our Parks and Recreation lifeguards participated in a life guard competition yesterday at Oak Ridge Country Club. Kingston won every event with our James Johnson winning the overall competition.

Pictured at the top of the pyramid to the left is Matt Buchanan with Jonathan Rogers, Head Guard seated directly below him. Pictured on the bottom row from left to right are James Johnson, Hannah Fisher, Taylor Anne Clark, Kayla Smith and Devin Handler.

Congratulations!

Also get your "Smokin' the Water" red t-shirt - \$10 each.

My days of whining and complaining about others have come to an end. Nothing is easier than fault finding. All it will do is discolor my personality so that none will want to associate with me. That was my old life. No more.

PD Training

Kingston Police Department employees had a chance to see what it feels like on the wrong end of a taser during a training session recently. They look pretty calm in the picture above, but check out Jim Lambert in the picture on the right and the mark left on Caleb Strayer's back.

Please show your patronage to these fine businesses sponsoring the Smokin' the Water July 4th Event:
