Make a tree good and its fruit will be good, or make a tree bad and its fruit will be bad, for a tree is recognized by its fruit. . . For the mouth speaks what the heart is full of. A good man brings good things out of the good stored up in him, and an evil man brings evil things out of the evil stored up in him. But I tell you that everyone will have to give account on the day of judgment for every empty word they have spoken. For by your words you will be acquitted, and by your words you will be condemned.
—(Matthew 12:33-37)

During the March 14th City Council meeting, our City Clerk for close to 30 years, Eleanor Neal, received a plaque in honor of her service from City Mayor Tim Neal.

Ms. Neal has been a city employee since 1979—over 38 years. Quite an impressive reign of service.
