Department News

Public Works employees do periodic lakefront clean-ups when they find the water down (with the help of prisoners).

City Manager David Bolling began a campaign to collect flashlights and batteries to send to the Philippines following the typhoon that devastated that area last week. With only a 2-day turn around time the effort turned out to be quite successful (see some of the collection pictured above).

The 2014 Jingle Bell Run is December 14th at Market Square in Knoxville. I was diagnosed with juvenile arthritis at age 16 and have struggled with it for years. After running in my first 5k last year I decided to try for a team and raise money to help fight this disease that affects so many people around the world. You can join my team “Joint Effort” or donate to the team at knoxvillejbr.kintera.org.

On November 14th Council members attended a social sponsored by the Kingston Library Board. This was an opportunity for them to discuss ideas and work toward a common goal—having the best Library in Roane County! (Pictured L to R: Dr. Joe Parker, Dir. Steve Jacks, John Byrkit, James Donatelli, Mayor Troy Beets, Don White, Chuck Bunch, Tony Brown, Jinx Watson, Diane Griffith, and Phyllis Jackson.

Police Department's Annual Food Drive

Once again the Kingston Police Department joined with the Hands of Mercy to provide food for those less fortunate in the Roane County area. Approximately 780 families were served this year.

Our thanks go out to the many volunteers, officers, employees, and most importantly to the many citizens who deposited food into the containers located around the area. Also to our local Food City, Browder's Ace hardware and Walmart for their discounts/contributions.

Kingston Mayor Troy Beets signed two Avery Trace Chapter Daughters of the American Revolution Proclamations in the Council Chambers of the new Kingston City Hall. The first proclamation signed recognized November 2013 as National American Indian Heritage Month. The second proclamation proclaimed November 11, 2013 as Veterans Day throughout the county which is also National Holiday. Retirement Honors

Mayor Beets presented former Water Department employee David Banks with a Proclamation naming November 12, 2013, as David Banks day in honor of his 42-years of service as a city employee. It was interesting and a little humorous to hear how many Council members and city managers he out-lasted during his tenure with the city.

Don't fear failure so much that you refuse to try new things. The saddest summary of a life contains three descriptions: could have, might have, and should have.
