## KINGSTON WASTEWATER TREATMENT PLANT

TO: David Bolling, City Manager

FROM: Tony Workman, WWTP Plant Manager

RE: December Monthly Report

DATE: January 3, 2018

MONTHLY FLOW	AVERAGE FLOW	MAXIMUM FLOW	MINIMUM FLOW	TOTAL
INFLUENT*	.5710	1.223	.2380	17,700,000
<b>EFFLUENT</b>	.6074	1.5510	.3360	18,829,000

Total gallons of chlorine used was 301.73 @\$2.09 gallon = \$630.62.

There was 3.13 inches of rain. There were no sewer overflows this month.

We had an Eff BOD sample to come in above the daily limit this month.

Tekwell Services is finishing up work on the impeller for the Gallaher Road Pump Station. The new impeller was installed but needed to be shaved down a few millimeters. This project should be completed soon.

Wascon Inc installed one new pump and motor at the #4 pump station. There were some issues getting it started, but they were corrected. The new motor is working very well. The other pump and motor installation may be completed by the end of this month.

The heating unit has gone out in the lab. Total Comfort will be making the repair this Friday, January 5<sup>th</sup>.

The Waste Return Sludge motors and pumps are very old (1987). Repairs are needing to be completed but I am waiting on prices for new motors and new pumps. Repair pricing may be less expensive but getting new may be better in the long run.

**TO:** The Honorable Tim Neal

**David Bolling, City Manager, City of Kingston**

FR: Emily Steele, MLIS

Director

**RE:** Monthly Director's Report

The following sum up library activities for the month of December, 2017:

### **Children's Programming**

We had three programs with 62 attending. There was a Christmas party on the 20<sup>th</sup>. Our storytime was canceled on the 27<sup>th</sup> because our water was out.

### **Programs**

We had a two-part program on holiday eating and holiday stress set up with the Roane County Extension Office, but we didn't have any participants. The presenter and I talked about trying to schedule it again another year, but earlier.

### Summary

Patron count for the month totaled 1273. Our count usually goes down significantly in December, partly due to holiday closings.

There were 1835 checkouts and renewals for adults for the month, and 358 for juvenile cards. The total was 2193.

The READS circulation for ebooks was 2126 for adults and 103 for kids, totaling 2229.

### 6) Director's Report

- Children's Programming
  - Four story times were offered in November. Sixty -eight children and parents attended.
- Grants Update
  - Plans are being made as to the type of technology classes that will be offered this upcoming year at the Kingston Public Library. The classes which are funded by a grant received from the Tennessee State Library and Archives will focus on employability. A budget of \$1,000.00 will pay teachers \$50.00 per class for 20 classes. The classes will be scattered throughout the year and will be offered on Saturdays. Each class will be advertised in the local paper, in the library newsletter, in the library building, and in other prominent locations in the community.
  - Funds provided by the LSTA Grant will be used to purchase two new computers.
- Community Use of Meeting Room
  - A variety of groups including Girl Scouts, quilters, and those seeking and providing information about insurance have made good use of the meeting room at the KPL.
  - Author, Kay Shostak used the room for a book signing.
  - In partnership with local schools the library staff has used the meeting room when proctoring online exams for a few students and providing an audience for a student completing an assignment for a speech class.
  - Circulation Summary
    - R.E.A.D.S. checkouts during the month of November: 2182 were adult checkouts and 86 were children's titles
    - There were 1857 checkouts and renewals by adults and 348 children's checkouts for the month.
    - Patron count for the month totaled 1495.
  - Joe Parker made the motion to approve the director's report. Mary Ann Wesoloski seconded the motion and the report was approved.

### 7) Old Business

- New Bench
  - Mary Ann Wesoloski made a motion that a new bench be purchased with funds made available through a donation from the Emch family. Emily Steele is to choose a bench appropriate for placement on the library's patio. She will also purchase a plaque to be placed on the bench and the Emch family will be invited to a ceremony dedicating the bench. Joe Parker seconded the motion and the motion was approved.

- Emily Steele stated that in the spring she plans to have the bench which currently sits outside the library cleaned up, painted and the plaque on it replaced.
- Update on Computer Classes Funded by the State Grant.
  - Information on this topic addressed in Section 6, the Director's Report.

### 8) New Business

- Trustee Application
  - Joe Parker made a motion that Carolyn Brewer's application to join the Kingston Public Library Board as a new Trustee be accepted. Mary Ann Wesoloski seconded the motion and the motion was approved.
  - Joe Parker will inform the City Council of the above decision.
  - Ms. Brewer will replace Dianne Grifffith.
- Term Limits of Library Board Members
  - KPL Board members were encouraged to review the by-laws of the KPL Board concerning the dates on which board members are to begin and end their service.
  - Consideration is being given to begin that service in July rather than in January in order to coordinate with other boards across the state.
  - A decision concerning this matter will be deferred until the January meeting.
- Director's Evaluation
  - Board members reviewed and signed the final copy of the Director's evaluation. It will be sent to the appropriate city office.
- Library Chairs
  - Currently, the seat cushions of the upholstered chairs in the library are covered in plastic. The purpose of the plastic is to maintain cleanliness in the event of an accident. Because the plastic ruins the aesthetic appeal of the chairs and is not inviting to library patrons, it was suggested that the board pay to have the cushions or entire chairs covered in a more maintenance friendly material. Consideration was also given to purchasing new chairs.
  - Vic King conferred with Faye Eblen who owns a local upholstery shop and learned that reupholstering the nine chairs would cost approximately \$2,500.00. When a question arose as to whether this estimate included fabric, Mr. King offered to speak with Mrs. Eblen again in order to have a more detailed proposal which would include a breakdown of labor and materials. He will have this information at the January meeting.
  - Emily Steele will choose the chairs she would like to purchase if the board chooses this alternative and will present the cost at the next board meeting. Should the Board agree to buy new chairs a decision will be made as to the disposal of the old ones.

### 9) Recommendations for Improvement

 Procedures for dealing with library visitors who make patrons and staff uncomfortable.

- The silent alarm has been checked and library staff is aware of a nonemergency phone number for the police.
- Those patrons participating in activities that make other patrons uncomfortable or are inappropriate can be asked to leave.
- 10) Chairman's Comments
  - Vic King commented that he was pleased with the meeting and appreciated all the good work Dianne Griffith has done on the board. He stated that he looks forward to working with the new member who will take her place.
- 11) Next Meeting Date
  - The next KPL Board meeting date is scheduled for January 11, 2018.
- Adjournment was moved by Trudy Wideman and seconded by Joe Parker. The motion was approved and the meeting was adjourned at 6:00 p.m.

Respectfully submitted, Trudy Wideman
