Project Status Updates

O Amphitheater

To: Kingston City Council

City Staff

Residents of Kingston

This City Manager Monthly Report is to be distributed and published on the city website (www.kingstontn.gov). We are producing this report in an effort to provide general and performance information to the Kingston City Council and the public regarding City services and programs and to enhance transparency in our local government. Information compiled by each department is analyzed and organized for presentation in this report.

Our goal is to become more transparent and more performance driven. The City staff and I will continue to make every effort to increase efficiencies in City services as we serve the citizens of Kingston.

It is our hope this report will help you become and stay informed regarding city issues and progress.

Please feel free to contact me with any questions, comments and/or suggestions regarding this report.

Sincerely,

David L. Bolling, City Manager City of Kingston

City Manager

Management Report: October 2019

Legislative Accomplishments

- A. Approval of resolutions authorizing the City Manager to apply for the Public Entity Partners Drivers Safety and Property Conservation matching grants with appropriate assurances
- B. Adoption of a substance abuse policy for the City of Kingston

CITY OF KINGSTON SUBSTANCE ABUSE POLICY

Discussion about our new Substance Abuse Policy was presented along with what it means to be a part of the Drug Free Work Place. This discussion elaborated on reasons for drug testing and violations of the Policy. Each person was handed a copy of the Policy and the Acknowledgement Receipt that they will each read and review upon signing of the receipt.

Kingston Police Department

Jim Washam, Chief Proverbs 20:7

865/376-2081 Office 865/354-8045 Dispatch

Fax: 865/376-8798 E-Mail: jim.washam@kingstontn.gov

To: City Manager, Mayor and City Council From Captain Roy Montgomery

The month of October the Kingston Police Department had training in the following areas. All fulltime, part time and reserve officers went through a night time firearms qualification course. This course was about 4 hours long on 2 different days for our officers. This was a moving and shooting course at night with blue lights going on a dark course. This course was taught by Captain Roy Montgomery, Asst Chief Caleb Strayer and Detective Keith Kile these officers are our firearms instructors for our department.

Captain Tony Guy went over vehicle safety procedures during calls on scene events on what to do and what not to do on a call.

Captain Roy Montgomery 502

General Department Instructor & Training Officer

October 2019 Safety Training

Implementation of the new Substance Abuse Policy

Employees were given a copy of the new Substance Abuse Policy. The policy was explained and discussed to ensure understanding. The types of testing and when testing would be performed was explained. The right to refuse testing and the potential consequences were discussed.

Supervisors were educated on the "Reasonable Suspicion Testing Checklist" and the "Consent/Waiver Form".

Employees signed an acknowledgment receipt to be placed into their personnel files.

Captain Tony guy

Kingston Fire Department October 2019

Summary of Month's Activities

Fire Operations

The Department responded to **87** calls for service during the month of September.

Fire Administration

- Department head meeting
- Safety Meeting
- Fall Festival Meeting

October 2019 Overtime

OT Hours: 30 Cost: \$803.34

The Training Room has been utilized this month for the following:

- Shift Training
- Defenders Meeting
- Fire Inspector 1 course

	This Month	YTD
ire Inspections	2	169

Public Fire Education

	This Month	YTD
Participants	350	410
Education Hours	8	13
Number of Occurrences	2	3

Firefighter Training

- KFD is continuing shift training
- Driver Training continuing for 2019
- Automatic Aid Training with Harriman Fire Department

Implemented Performance Standards Plan

- Continuing education for all KFD personnel
- On shift training is required each shift
- Testing for state certifications offered

Fleet Maintenance

- Oil changes have been completed on all apparatus
- New tires being replaced on most trucks

Special Projects

"Fit for Duty" program on going with work outs posted each shift

Outstanding Issues

- Aging Fire Apparatus
- Aging turn out gear
- U6 aging and continues to need continuous repair. Unit 6 now displays over 180,000 miles.
- Medical, gas powered, and firefighting equipment affected by weather from units sitting outside in the elements

Cost Savings

- Safety meeting
- Firefighters encouraged swapping shifts when possible instead of taking vacation time to help with overtime costs

Safety

Kingston Parks and Recreation October 2019

October was an eventful month for parks and recreation.

We hosted three different Halloween events at three different locations.

- The first was our annual Spooktacular events at Fort Southwest point. Roughly 200 kids attended and stayed for the evening movie. there were many businesses and organizations who participated and gave out candy.
- Our next event was at Fort paws. This was an event put on my outdoor Kingston in which there were approximately 50 dogs in attendance and all very well behaved.
- Our final event of October was an indoor trunk or treat at the Kingston Community Center hosted by The Grove. Due to the rain they were unable to have their normal events at Narramore farms so we were able to provide them with a place for their event.

Our first event in November will be bluegrass & BBQ at Fort Southwest point. This is an event put on by The Grove and we are excited that they chose one of our parks to be the host site.

We have set dates for the Christmas parade, the Christmas bazaar, as well as the candle light tour. We continue to receive generous donations for our indoor batting cages. So far we have received contributions from Oldcastle, Acme block & brick, Biosteel, and Citizens First bank. We have almost completed the forming up of the perimeter so that we can begin to pour concrete. It is possible that we will use funds received from surplus items on GovDeals to fund the remainder of the project. So far there's only been spent a couple of hundred dollars out of park and rec budget on various supplies.

PARKS AND RECREATION BOARD MINUTES October 7, 2019

PRESENT: Sue Collins, Keenon Heathcoat, Eric Clark, Sammy Frogg, Matt Melton,

Chase Clem, Becky Humphreys, Ruth Thompson ABSENT: Paul Rogers, Jody Tipton, Debbie Russell

GUESTS: Sonny Hunter

• The meeting called to order by Chairman Sammy Frogg at 6:05 p.m.

- Chase gave an invocation.
- Motion was made by Keenon to approve August and September minutes. Eric seconded it, and motion carried.

OLD BUSINESS:

- 1. Amphitheater the goal is to be finished by November. There was a discussion on beer sales.
 - Stephanie Wright is making a proposal to present to council about beer sales.
- 2. Spooktacular Saturday very successful 21 vendors and 200 children with families attended.
- 3. Street Fest Vendor sign up going well.
- 4. Gravel Pit Dock renovation and repairs are complete
- 5. TN RiverLine 652 Outing on Sept 28th there were over 50 people in kayaks and paddleboards. The event was a success.

NEW BUSINESS:

- 1. Sturgeon Release Saturday, Oct 12th, Noon at Ladd Landing. Discussion about Muir Fest.
- 2. Chili Supper and silent auction for girls Volleyball on Friday, Nov. 8th, 5-8 p.m. Put on Facebook, and take flyers to schools.
- 3. Bluegrass and BBQ put on by the Grove Church on Saturday, November 16th, from 10 a.m. 2 p.m. at Southwest Point.
- 4. Fall Street Fest Saturday, Nov 2nd, 11a.m.- 5 p.m. Old Roane Co. Courthouse.
- 5. Outdoor Kingston will host a doggie trick-r-treat and costume contest at the Dog Park on October 29th 6-7 p.m.
- 6. The Parks & Rec board were asked if they could volunteer to help with the Christmas parade.

Kennon made a motion to adjourn and Eric seconded it. Motion carried and meeting ended at $6:40\ p.m.$

Dates to Remember:

Nov. 2nd, Fall Street Fest

Nov. 4th, Next Parks & Rec. Board Meeting

Nov. 8th, Volleyball Chili Supper

Dec. 2nd, Christmas Parade

Dec 9^{th} , Parks & Rec. Board Meeting and covered dish dinner at Fort SWP

SafetyWorks! Toolbox Talks

Subject: The Deadly Dozen

We all know that there must be a cause for an accident to happen. In order to avoid accidents, we must remove the cause. Every cause is a result of an unsafe act or unsafe condition. By recognizing the unsafe act or condition, we can effectively remove the exposure to them. The following "deadly dozen" are reminders to help you recognize unsafe acts or conditions.

Guide for Discussion

Unsafe Acts

- 1. Unauthorized use or operation of equipment.
- 2. Failure to secure or tie down materials to prevent unexpected movement.
- 3. Working or operating equipment too fast.
- 4. Failure to issue warnings or signals as required.
- 5. Using defective tools or equipment.
- 6. Removing guards.
- 7. Improperly using tools or equipment.
- 8. Standing in an unsafe place or assuming an improper posture (as in lifting).
- 9. Servicing moving equipment.
- 10. Riding equipment not designed for passengers.
- 11. Horseplay.
- 12. Failure to wear the proper personal protective equipment.

Unsafe Conditions

- 1. Lack of proper guards.
- 2. Lack of a proper warning system.
- 3. Fire and explosion hazards.
- 4. Poor housekeeping.
- 5. Unexpected movements.
- 6. Protruding objects such as nails, wire, or other metals.
- 7. Improper clearance or congestion at aisles or passageways.
- 8. Poor placement, storage or arrangement of materials.
- 9. Hazardous tools, equipment or materials.
- 10. Poor lighting, high noise levels.
- 11. Hazardous atmospheric conditions.
- 12. Improper personal attire.

Additional Discussion Notes:

Remember: Be able to recognize the conditions or acts we just discussed, you can effectively correct or avoid them and reduce your personal exposure to the general causes of accidents.

NOTE: Always promote a discussion on any of the topics covered in the Tool Box Talks. Should any question arise that you cannot answer, don't hesitate to contact your Employer or SafetyWorks!.

SafetyWorks! Toolbox Talks

Subject: Fire Protection and Control

Most fires are a result of inattention to the job site operations and surrounding conditions. This lack of attention or protection can result in the loss of life and property. All fires can be easily extinguished if caught soon enough and the proper extinguishing tools are handy.

Guide for Discussion

Steps to Remember When a Fire Starts:

- Sound an alarm—yell if necessary.
- Warn those near the fire.
- If possible and the fire is small, try to extinguish it.
- Call the Fire Department if the fire can't be easily and quickly extinguished.
- Evacuate the area if the fire can't be quickly extinguished.
- Direct the Fire Department to the area of the fire.
- Stand by to help, but only if asked by a Fire Department official.

Be Sure to Know the Following:

- The Fire Department phone number.
- Be sure you know the location of the nearest cross street to give the Fire Department directions.
- Where the fire extinguishers are and how to use them.
- How to evacuate the work area.

Steps to Prevent Fires

- Regularly inspect all fire extinguishers.
- Keep the work area free of debris and trash.
- Designate high risk areas as "no smoking" areas. Enforce no smoking rules.
- Store flammable fuels and materials only in approved safety containers.
- Check temporary wiring and electrical tools for defects.

Additional Discussion Notes:

The emergency numbers and job site location (including nearest cross streets) are posted where on the job?

If welding equipment is on the job, when is it regularly inspected?

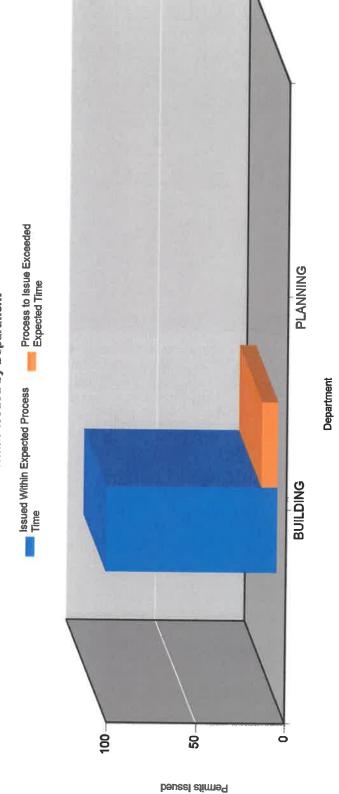

Remember: Knowing how to recognize, react to, or eliminate fire hazards can greatly decrease the chances of being exposed to a fire.

NOTE: Always promote a discussion on any of the topics covered in the Tool Box Talks. Should any question arise that you cannot answer, don't hesitate to contact your Employer or SafetyWorks!.

L Reported Us	age	898,000	1,335,160	-48.68%	Park & Rec: No Report		
Water Loss		3,117,000	4,441,540	-42.49%	WWTP:		
N %		12.28%	16.11%	-3.83%			

Note: The Water Production, Consumption and Loss data is for the September 2019 Meter Read Period.

- Multiple Agencies here throughout the Month collecting water samples.
- * Drained and washed all Basins on two separate occasions.
- Completed (collected and analyzed) 2 rounds of Compliance Distribution Bacteriological Sampling.
- * Performed regular maintenance at Plant and Spring Site.
- * Performed (QA/QC) Quality Assurance and Quality Control Checks and In-House Laboratory Training.
- Completed all required regular monthly sampling.
- * Mowed, trimmed & Sprayed the Waterplant grounds four times, at the Spring Pump House, Spring Site twice and Spring Gravity Feed Line right-of-way.
- * Completed replacement of 3G Cellular Equipment on the SCADA System with 4G Equipment (All 3G will be Obsolete and not supported after 2019) Per the Carriers Sunset Schedule.
- * Doing study / research for updating and attending Water Policy Meetings.
- * Working on Emergency Operations and Risk Assessments to Update our Emergency Operations and Drought Plan.
- * Working on getting the Raw Water Pump Changed out. The Crane that was to be used had some mechanical problems and had to find another Company / Crane to use. Hopefully will complete the first week of November.
- * Performed Chemical Feeder Maintenance, replacing some gear sets at Spring and Bleach House.
- * Sorted through applications / resumes and conducted Interviews for a Water Treatment Operator. John Poole was hired, he is a Certified / Licensed Grade IV Operator with 20+ years experience and is to begin the week of November 18.

Water Treatment Plant October 2019 Safety Training

- Discussed contacts with objects safety.
- Reviewed the National Safety Council article Contacts With Objects: It Pays to Pay Attention.
- Discussed relevance of article to Water Treatment Plant and actions to be taken to more safely contact, move, and maneuver around objects.

Present were Dave Ott and Chuck Moore.

KINGSTON WASTEWATER TREATMENT PLANT

TO: David Bolling, City Manager

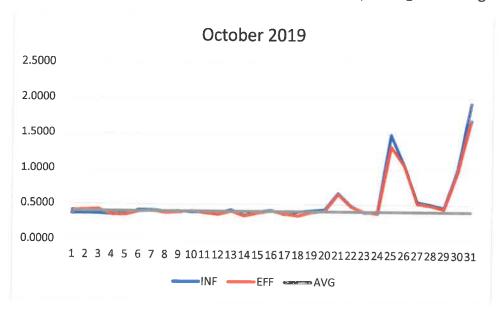

FROM: Tony Workman, WWTP Plant Manager

RE: October 2019 Monthly Report

DATE: November 1, 2019

MONTHLY FLOW	AVERAGE FLOW	MAXIMUM FLOW	MINIMUM FLOW	TOTAL
INFLUENT	.5372	1.9270	.3430	16,654,000
EFFLUENT	.5174	1.6950	.3350	16,039,000

2500 Sewer Customers 12,043,200 gallons billed. Daily average .4014 mgd.

Total gallons of chlorine used was 458.1 @\$2.09 gallon = \$957.43.

There were no overflows this month.

The press is running again. Michael Stallings from Tekwell came out and helped us trouble shoot the issue. It appeared to be a loose wire that prevented the signals to communicate correctly.

SAFETY MEETINGS THIS MONTH:

October 1- OSHA'S Revised Haz-Com Standard-

"Exploding Bomb" Pictogram on Labels (Toolbox Talk #21)

"Exclamation Mark" Pictogram on Labels (Toolbox Talk #22)

October 8- OSHA'S Revised Haz-Com Standard-

"Safety Data Sheets" (Toolbox Talk #23)

"Non-Mandatory Information" (Toolbox Talk #24)

October 22- Basic Electrical Safety-

The Dark Side of Electricity (Toolbox Talk #73)

The Most Abused Safety Device on the Job (Toolbox Talk #74)

October 31- Basic Electrical Safety-

Things to Know About Double Insulated Tools (Toolbox Talk #75)

TO: The Honorable Tim Neal

Mayor, City of Kingston

Mr. David Bolling

Manager, City of Kingston
Members of the City Council

FR: Barbara Thorbjornsen

Library Director

RE: Monthly Director's Report

The following sums up library activities for the month of October 2019:

Programs:

We had our weekly story time hour.

Our annual monthly book club and quilters group.

We had your Thursday night book club at 6:30 pm. for those who work during the day. They will meet the first Thursday of the month and is open to anyone who would like to join.

Programs: Oct.3rd The actors came and did a pirate show for the children. The children came dressed as pirates. They walked to plank and got tattoos and goodie bags of pirate loot. We had 85 children attend plus parents. We had a wonderful time.

We participated in the spooktacular this year.

October 10th We had local authors Todd and Liz Chancey . They discussed their book God in the Midst of Thorns. John Hagen wrote the forward and is the former pastor of Midtown United Methodist church. Reverend Todd Chancey served Kingston United Methodist church for 7 years. Every book sold that night \$5.00 was donated back to the Library. Todd and Liz appeared on the Dr. OZ show to tell their story of life after Liz's pesticide exposure. We had 26 people attend.

Oct.16th We had local author Barbara Smith here to read her new book A Home for Callie the Kitten at story time. She read to the children and brought goodies for them.

Summary

Our computer program is still going through a major update. WE went from 4 pages of problems to 2 pages that still need to be resolved. Hopefully these will be fixed soon.

The technology grant is now open and I will be ordering our new Windows 10 computers in November.

The total count of children who attended the weekly story time hour was 87 plus adults. We are getting really for our fall programs which we hope all will attend.

Patron count for the month totaled 1367. We answered 146 computer and reference questions. Follow us on Facebook to see all the programs and photos.

November Programs: We will have two craft nights November 7th and 14th at 6:00pm. The children will be making Christmas decorations and we will be teaching adults to make decorative bows.

We will also have a table set up in the Library for the Stitch Angels. We will be collecting snow flake ornaments and Thank you cards to send to our service men and women overseas for the holidays. Please stop by and write a Thank you card for their service.

Respectfully submitted Barbara T.

4.	Bad Debts	Approval

Announcements

November 2019 Board Meeting

Adjourn

The regular meeting of the Rockwood Electric Power Board was called to order at 4:30 p.m. on August 22, 2019. Board members present were Childs, Davis, Holloway, Layne, and McCullough.

A motion was made by Layne, seconded by McCullough to approve the minutes as recorded for the July 15, 2019 Board meeting. All voted yes.

A motion was made by McCullough, seconded by Childs to approve the minutes as recorded for the special called Board meeting held on July 25, 2019. All voted yes.

As part of the Financial Statements, Manager Bear explained the June 30, 2019 year-end reports were not complete and asked the Board to defer them until the September 2019 meeting. The year-end reports are also part of the TVA Annual Report and the independent financial audit. A motion was made by McCullough, seconded by Davis to defer until the next meeting. All voted yes.

A motion was made by McCullough, seconded by Childs to approve the accounts payable for August 2019. All voted yes.

Chairman Holloway stated it had been brought to his attention the State of Tennessee had adopted a new law requiring a municipal to post publicly any donations made with public funds. Manager Bear stated that in the TVA Annual Report an itemized list of donations could be found. He also asked if the law included sponsorships. Chairman Holloway asked him to look into the law and report back to Board.

As part of the Manager's Report, Manager Bear presented the "Voice of the Customer Survey" results. Nearly 500 responses were received. Overall, our customers seem to be satisfied with our communication of services, knowledge, competency, timeliness, and reliability of electric service. Minimal negative feedback was received. The number one comment, suggestion, response, etc. to the survey was "Give Us Internet Please". Melinda Harris, TVPPA Corporate Data Analyst, did an excellent job mining the data and creating a final report. A motion was made by Davis, seconded by Childs to approve the manager's report. All voted yes.

There were no Visitor's Comments

Elliott Barnett of Strata*G presented the results of the Engineering Analysis of REU's existing fiber outlay. The presentation included an Executive Summary along with the Conclusion and Recommendations. The final report is of considerable length and is not recorded in the minutes. Copies may be requested as part of the Public Records Request policy. Chairman Holloway thanked the entire team for their work and to Strata*G for presenting the report. A report is added to the end of the minutes covering Mr. Barnett's presentation.

A motion was made by Davis seconded by McCullough to defer the approval of the Personnel Policy Revisions for Chapter 1 thru Chapter 5. All voted yes. If any of the Board members have questions they should contact Sandy Helton by August 30, 2019.

A motion was made by McCullough, seconded by Davis to defer approval of the TVA Annual Report until the September Board meeting. The TVA Annual Report was not complete and had not been reviewed by TVA's Regulatory Analyst. TVA is scheduled to be in the office September 12, 2019. The independent financial audit usually is usually ready for board approval at the October board meeting.

A motion was made by McCullough, seconded by Layne to approve the recommendation from Manager Bear to sign and accept the terms and conditions of the TVA Long-Term Partnership Proposal. All voted yes. The proposal is an amendment to REU's existing Wholesale Power Contract with TVA. The initial term is for twenty (20) years beginning with the first full billing month which will be September 2019. TVA will apply a credit to the monthly wholesale power invoice equal to 3.1% of non-fuel energy, demand, and the grid access charge.

A motion was made by McCullough, seconded by Childs to defer approving the revised Purchasing Policy. All voted yes. The policy was being reviewed by the utility's legal counsel. It is comprehensive and needs to be consistent with the City of Rockwood's ordinances on purchasing, the Municipal Electric Plant Law of 1935, and the Municipal Purchasing Law of 1983.

Manager Bear informed the Board of options to finance the new vehicles that are on order and scheduled for delivery. Three (3) of the vehicles will be purchased through Sourcewell's Cooperative Program. Financing options are: TML – a fixed rate on a capital outlay note for 8,10, and 12 years; Altec submitted a lease quote through their Capital Services Group with both a monthly and an annual payment option. US Bancorp Government Leasing Program submitted a total loan for the first three (3) vehicles for seven (7) years with monthly payments and a 2.196% fixed rate. Manager Bear's recommendation was to finance with US Bancorp. A motion was made by McCullough, seconded by Davis to approve Manager Bear's recommendation. All voted yes.

A motion was made by Layne, seconded by McCullough to approve the revised Organization Chart. The revision places all of the Utility's administrative functions under the direction of Ms. Marsha O'Keefe. All voted yes. The Organization Chart is attached to the minutes.

A motion was made by Davis, seconded by Childs to approve the write-off of uncollectible debts for the period of May 2019 in the amount of \$2,288.74 and noted \$1,209.99 was collected. All voted yes. One item on the uncollectible debt file was addressed and noted to allow legal counsel to handle with the estate of customer.

A motion was made by Layne, seconded by Childs to adjourn. All voted yes.

Chairman Harold Holloway

Secretary/Treasurer Wade McCullough

Explanatory Notes:

- 1. All employees listed are in order of seniority within their group.
- 2. Jason Jolly and Scottie Boles will continue to be assigned to Marty Hill at this time.

Elliott Barnett of Strata*G presented the results of the Engineering Analysis of REU's existing fiber outlay. The presentation included an Executive Summary along with the Conclusion and Recommendations.

Findings

- REU has deployed over 50 miles of fiber.
- REU existing investment can be leveraged into a robust broadband backbone.
- Provide improved communications, speed and reliability of Electric Systems Communications,
 REU is uniquely positioned to reach its more rural customers with broadband connectivity.

Recommendations

- Improvements to the electric system that will: Increase network security, improve communications, and enhance redundancy and reliability.
- Implement Pilot Projects for proof of concept of Fixed Wireless equipment that will be used for improved communication to existing electrical equipment.
- Pursue grant funding to offset/leverage capital costs for enhancements to smart grid, etc.

ARC Technical Assistance Grant

- Appalachian Regional Commission (ARC) for a \$50,000 Technical Assistance Grant has been approved.
- The project includes: Evaluation of network transport solutions.
- Development of a transition plan to enhance the REU Smart Grid Infrastructure to improve reliability, redundancy, security, and to support future broadband services.

Outlook for Rockwood Electric Utility

- Flat or decreasing revenues.
- Increasing operational cost.
- Aging infrastructure & equipment.
- Potential declines in customer base.

Broadband as Alternate Revenue Source

- Big Capital Outlay/Full build-out fiber to the home (FTTH) network. Significant potential returns, but high risk and significant debt.
- Incremental Approach Revenues fund expansion and growth, not debt with lower risk. This
 approach would be: Enhanced Smart Grid Shared Services Business Internet Full ISP.

Conclusions

- The incremental approach, allows REU to enter the Broadband business at their own pace, creating an opportunity for future revenue streams while providing enhanced services to REU's Customers.
- It is recommended that REU pursue state and federal grants in order to leverage capital investments and expedite progression through incremental steps as necessary.

The final report is of considerable length and is not recorded in the minutes. Copies may be requested as part of the Public Records Request policy. Chairman Holloway thanked the entire team for their work and to Strata*G for presenting the report.

Kingston Beautification Committee Final Meeting Minutes – October 7, 2019 Submitted by Tammi Cribbs

Call to Order

The regular meeting of the Kingston Beautification Committee was called to order at 5:00 pm on October 7, 2019 by Teresa Nichols at the Kingston Community Center

Roll Call

Attendees: Teresa Nichols, Jason Brown, Sue Collins, Council Woman Tara Stockton, Judy Yeager Guests: Tammi Cribbs, Susan Whitlock, and Master Gardners' Mbrs: Maureen Leavitt and Kathryn Cogar)

Approval of Minutes

The minutes from September were approved. Motion to Approve: Jason Brown, Seconded by Sue Collins

Ongoing Business

- 1. Discussed the Approval process for interstate: signage, monumental signs
- 2. Landscaping support through State Senator 100% on having this approved. Must have layout for landscaping to be included for approval.
 - More cleanup is still being done and permit from TDOT for that is in place.
 - This project to be done in phases Nathan can approve signage for the welcome sign.
 - Monumental sign must be submitted for approval (TDOT)
- 3. Master Gardeners (Jason introduced Maureen Leavitt and Kathryn Cogar) and they may assist as advisors to the project in recommending bulbs and plants that can be left natural without a lot of upkeep low maintenance, full sun and drought resistant plants.
 - They recommended:
 - Daffodils blooming early, mid and late year.
 - Planting varieties for longer blooming season.
 - Scaling the project to the size of the area.

They can help source bulbs for pricing discounts on quantity.

They will need some idea of the scope of the project – suggested a walk through to visualize a plan. Bulb planting can be done anytime between now and the first of the year.

Teresa suggested that we set a walk through at the next meeting.

- 4. Tara there was no line item budget for BC. Still need to look at ways to fund the project. Maybe a large company or community involvement project.
- Discussed control box wrap to the boxes near the Pickle Partners sign. The city has the authority on these control boxes. Discussed moving forward with plans for the control box wraps prior to doing the monumental signs. All agreed on welcome wrap for control box.
- 6. Breakaway sign currently we have a brown metal reflective sign, can we do something that is similar to compliment what we have and it be functional. It must be 30' from the nearest traffic lane. (currently behind the guardrail) This sign currently has a lot of directional information on it.
- 7. New Members Tara will bring the names of interested candidates before the council at the next meeting.
- 8. RC News building should be cleaned and ready to start painting by the end of the month
- 9. Possible sponsorship for sidewalk on historical trail etched pavers or sponsors having a brick.

New Business

- Teresa passed out the Draft listing of business types for directional signs to summarize and reduce number of types needed. Recommend limiting it to 12 or making multiple signs. Committee to bring comments to November meeting.
- Next Meeting November 4, 2019

Adjournment - Motion by Tara Stockton at 6:00pm, Seconded by Jason Brown
