EAST TENNESSEE CONSTRUCTION

February 9 - 15, 2023

ANDERSON COUNTY, I-75 North near Mile Marker 121.6: On Thursday, February 9, 2023, motorists should be alert for possible lane closures between the hours of 8 p.m. and 6 a.m. the following morning as crews perform guardrail repairs. Motorists should be alert for workers present, slow or stopped traffic, expect potential delays, and use extreme caution through this area.

BLOUNT COUNTY, US 129 North and South between US 321 and Foch Street: On Monday, February 13, 2023, through Friday, February 17, 2023, motorists should be alert for possible temporary lane closures between the hours of 9 a.m. and 3 p.m. as crews perform work through this project. Motorists should be alert for workers present, expect potential delays, and use extreme caution through this area.

CAMPBELL COUNTY, US 25/SR 63 at SR 116 in Caryville: Motorists should be alert for possible temporary lane closures between the hours of 7 a.m. to 6 p.m. through this signal upgrade project. Motorists should be alert for workers present, expect potential delays, and use extreme caution through this area.

CAMPBELL COUNTY, SR 63 between Myers Lane and Frontier Road/Woodson Lane: Motorists should be alert for possible temporary lane closures between the hours of 9 a.m. to 3 p.m. and/or 7 p.m. and 6 a.m. the following morning through this construction project. Motorists should be alert for slowed or stopped traffic, expect potential delays, and use extreme caution through this area.

CAMPBELL COUNTY, SR 63 between Frontier Road/Woodson Lane and Claiborne County Line: Motorists should be alert for possible temporary lane closures between the hours of 8 a.m. to 6 p.m. through this construction project. Motorists should be alert for slowed or stopped traffic, expect potential delays, and use extreme caution through this area.

CARTER COUNTY, SR 67 at SR 37: Motorists should be alert for possible temporary lane closures between the hours of 9 a.m. to 3 p.m. through this signal upgrade project. Motorists should be alert for workers present, expect potential delays, and use extreme caution through this area.

CARTER COUNTY, SR 67 between Log Miles 5.9 and 6.4: Motorists should be alert for possible temporary lane closures at various times through this construction project. Motorists should be alert for workers present, changed conditions, expect potential delays, and use extreme caution through this area.

CARTER COUNTY, SR 159 between Andrew Finney Road and Buntontown Road: Motorists should be alert for possible temporary lane closures at various times through this safety improvement project. Motorists should be alert for workers present, changed conditions, expect potential delays, and use extreme caution through this area.

CARTER COUNTY, SR 362 between SR 361 and Gap Creek Road: Motorists should be alert for possible temporary lane closures at various times through this safety improvement project. Motorists should be alert for workers present, changed conditions, expect potential delays, and use extreme caution through this area.

CLAIBORNE COUNTY, SR 63 between Campbell County Line and Hall Lane: Motorists should be alert for possible temporary lane closures between the hours of 8 a.m. to 6 p.m. through this construction project. Motorists should be alert for slowed or stopped traffic, expect potential delays, and use extreme caution through this area.

COCKE COUNTY, I-40 West near Mile Marker 438.9: On Tuesday, February 14, 2023, motorists should be alert for possible lane closures between the hours of 8 p.m. and 6 a.m. the following morning as crews perform guardrail repairs.

Motorists should be alert for workers present, slow or stopped traffic, expect potential delays, and use extreme caution through this area.

JEFFERSON COUNTY, I-40 East and West between Mile Markers 419 and 425: On Sunday, February 12, 2023, motorists should be alert for a series of rolling roadblocks between the hours of 7 a.m. and 2 p.m. as utility crews perform overhead line work. Motorists should be alert for slow or stopped traffic, expect delays, and use extreme caution through this area.

JEFFERSON COUNTY, I-40 West near Mile Marker 427: Motorists should be alert for workers present, lane shifts, new traffic conditions, and use extreme caution through this construction project.

JEFFERSON COUNTY, I-81 South near Mile Marker 2: On Sunday, February 12, 2023, motorists should be alert for a series of rolling roadblocks between the hours of 7 a.m. and 2 p.m. as utility crews perform overhead line work. Motorists should be alert for slow or stopped traffic, expect delays, and use extreme caution through this area.

KNOX COUNTY, I-40 East near Mile Marker 386: Beginning Monday, February 13, 2023, motorists should be alert for possible lane closures nightly between the hours of 9 p.m. and 6 a.m. the following morning as crews perform bridge repairs. Motorists should be alert for workers present, slow or stopped traffic, expect potential delays, and use extreme caution through this area.

KNOX COUNTY, I-40 East and West near Mile Marker 387: Beginning 7 p.m. Friday, February 10, 2023 through 6 a.m. Monday, February 13, 2023, motorists should be alert for lane closures to remain in place throughout the weekend as crews perform bridge repairs. Motorists should be alert for workers present, slow or stopped traffic, expect potential delays, and use extreme caution through this area.

KNOX COUNTY, I-40 East and West at Exit 388A James White Parkway: On Sunday, February 12, 2023, motorists should be alert for possible ramp closures. The exit ramps from I-40 East and West to James White Parkway will be temporarily closed for short intervals between the hours of 7 a.m. and 1 p.m. as utility crews perform overhead line work on James White Parkway. Motorists wishing to access the downtown area during these times should use Hall of Fame Drive (Exit 389) and take side streets into the downtown area. Motorists should be alert for workers present, slow or stopped traffic, potential delays, and use extreme caution through this area.

KNOX COUNTY, I-40 West near Mile Marker 391: On Sunday, February 12, 2023, weather permitting, motorists should be alert for possible temporary lane closures between the hours of 7 a.m. and 3 p.m. as crews replace an overhead dynamic message sign in this area. Motorists should be alert for workers present, lane shifts, slow or stopped traffic, potential delays, and use extreme caution through this area.

KNOX COUNTY, I-275 South near Mile Marker 2: On Saturday, February 11, 2023, motorists should be alert for possible temporary lane closures between the hours of 7 a.m. and 3 p.m. as crews replace an overhead dynamic message sign in this area. Motorists should be alert for workers present, lane shifts, slow or stopped traffic, potential delays, and use extreme caution through this area.

KNOX COUNTY, I-640 East and West between Mile Markers 6 and 10: I-640 is reduced from three lanes to two and shifted into a new traffic pattern between I-40 (MM 10) and Broadway (MM 6) through this resurfacing/rubblization project. These reductions will remain in place around the clock. Motorists should be alert for additional upcoming lane reductions and traffic shifts to occur at other locations throughout the project limits. Motorists should be alert for workers present, expect potential delays, and use extreme caution through this area. ***For project information, go to <https://www.tn.gov/tdot/projects/projects-region-1/i-640-reconstruction.html>***
